We encourage the membership to volunteer their time and talents to help with at least one of the many ongoing projects that the Chamber sponsors. Below is a list of our active committees for these chamber projects. We continue to need your support to keep these Chamber projects viable. These projects also cost more to support than what can be covered by membership dues. We are dependent on the generosity of our members to help finance these projects annually. Please check off at least one (or more!) of the committees you or your employees would be interested in joining. Please also check off any committees to which you would like to make an additional financial contribution and include that donation in your check or include a second check if you prefer. Again, thank you for your support!
