### Comments and / or concerns from visitors

Kim Winchell inquired about the Chamber's mission and vision, and what it is and how we are dictating the project and direction of the chamber. Leanne Kavanagh asked about the Reimaging Rural funds, and how this was being managed. Previous conversations were that it would just be integrated into Chamber's operating funds, but Leanne was informed that Stephanie Eney planned on having conversations about moving these grant funds and donated funds into their own account so to keep them separate from operational funds.
