

Lewis & Clark Committee
PO Box 1243
Cut Bank, MT 59427

Cut Bank will be hosting the Lewis & Clark Festival again this year on July 28 & 29, 2023. The location is at Cut Bank City Park on the East end of Cut Bank. We have arranged for various different types of entertainment in the park Friday and Saturday.

All vendor spaces are \$50 for a 10 ft by 10 ft space which includes electricity. If you need more space than the 10X10, you may purchase additional booth space for \$30 per space (after the first \$50). No booth will be considered rented until payment is received. The L&C Committee reserves the right to refuse any vendor(s). Spots are assigned on a “first come, first serve” basis. Commercial vendors must provide proof of Liability Insurance prior to the weekend, not the day of the event.

First 20 vendors that register & pay now are guaranteed a spot! The exact location of your booth will be posted in the City Park on the morning of Friday, July 28th. Vendors may set up on Friday, July 28th and must be torn down by 8 pm on Sunday, July 30th. Currently there are no activities planned for the park on Sunday. If you have special needs, please let us know as soon as possible and we will do our best to accommodate you.

Any food vendors must be approved by the County Sanitarian at (406)868-4957, and proof of Liability Insurance needs to be provided with your vendor form.

We look forward to seeing you at the festival. Please contact either Jenika Sammons or Sissy Nygaard with any questions at (406)949-2160 or by email at jenika.sammons@stockmanbank.com or pauline.nygaard@stockmanbank.com
